

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

BENJAMIN JOSEPH LIGERI,

Plaintiff,

v.

AMAZON.COM SERVICES LLC;
AMAZON PAYMENTS, INC.;
AMAZON.COM, INC.,

Defendants.

CASE NO. 2:25-cv-00764-JHC

ORDER

This matter comes before the Court on pro se Plaintiff Benjamin Joseph Ligeri's "Motion for Reconsideration and/or Clarification Regarding the Non-Application of General Order 06-22." Dkt. # 24. The Court has considered the motion, the rest of the file, and the governing authorities. Being fully advised, the Court rules as follows:

"Motions for reconsideration are disfavored and will ordinarily be denied absent a showing of (a) manifest error in the ruling, or (b) facts or legal authority which could not have been brought to the Court's attention earlier with reasonable diligence." *Cunningham v. Fortney*, 2024 WL 1931695, at *1 (W.D. Wash. May 2, 2024) (citing LCR 7(h)(1)). Manifest error is "an error that is plain and indisputable, and that amounts to a complete disregard of the controlling law or the credible evidence in the record." *Gaskill v. Travelers Ins. Co.*, 2012 WL 13026638, at

1 *1 (W.D. Wash. Mar. 28, 2012) (quoting *Black's Law Dictionary* 622 (9th ed. 2009)). Because
2 the motion does not seek to satisfy these standards, to the extent it is a request for
3 reconsideration, the Court DENIES it.

4 Next, the motion takes issue with the “non-application” of GO 06-22. But that General
5 Order addresses the Court’s response with respect to COVID-19, which is unrelated to Plaintiff’s
6 apparent concerns.

7 Finally, the motion seeks clarification with respect to the Court’s July 15, 2025 order at
8 Dkt. # 21. But that order addresses only Plaintiff’s apparent request for recusal. The Court’s
9 July 30, 2025 order at Dkt. # 25, filed after the present motion, addresses Plaintiff’s Motion to
10 Vacate Judicial Reassignment. That order explains the application of GO 03-25 to this matter.
11 Dkt. # 25 at 5-6.

12 Dated this 22nd day of August, 2025.
